01 FILL

Rounded capsule

A thicker, rounded bar with a gentle glow.

02 LOOP

Traveling light

A short red highlight sweeps along a quiet track.

03 LOOP

Three dots

Three small dots rise and fade in sequence.

04 LOOP

Slim arc

A clean red arc rotates around a subtle ring.

05 LOOP

Orbiting dot

One red dot circles a quiet circular track.

06 LOOP

Sound bars

Five red bars move like a small equalizer.

07 LOOP

Pulsing play

A red play button breathes inside a soft halo.

08 FILL

Circular progress

A ring fills clockwise from empty to complete.

09 FILL

Segmented progress

Ten short segments light up from left to right.

10 LOOP

Double arc

Two fine arcs rotate in opposite directions.

FILL shows progress from empty to full. **LOOP** keeps moving while loading. The previews repeat so you can compare their motion; your final app will stop when loading finishes.
